PROFESSIONAL SUMMARY

Results-driven Digital Marketing Professional and Growth Strategist with over 3.3 years of experience building, scaling, and managing brand identity online. Expert at bridging the gap between technical web development and creative marketing strategies. Proven track record of taking end-to-end ownership of digital projects, from engineering high-performance WordPress sites to executing data-driven SEO and Meta Ads campaigns. Adept at leading teams, managing client relationships, and implementing strategic frameworks that consistently improve project performance by up to 40%.

CORE COMPETENCIES

- **Digital Marketing & Growth:** End-to-End SEO (On-page & Off-page), Meta Ads Management, Content Strategy, and Performance Marketing.
- **Technical & Web Development:** Custom WordPress Theme Development, UI/UX Optimization, Website Architecture, and Technical Audits.
- **Brand & Client Management:** Client Relationship Management, Strategic Brand Positioning (LinkedIn & Instagram), and Cross-Functional Team Leadership.
- **Tools & Analytics:** Google Search Console, Google Analytics, Meta Business Suite, Canva, and MS Office.

PROFESSIONAL EXPERIENCE

WITQUALIS TECHNOLOGIES | Digital Marketing Manager

May 2024 – Present

- Lead the digital marketing department, aligning all online initiatives and campaigns with core business and revenue objectives.
- Collaborated with and managed a development team to overhaul website architecture, boosting overall site performance and speed by 40%.
- Direct the company's professional branding on LinkedIn and Instagram, curating authority-building content to drive engagement and trust.
- Formulate and execute the end-to-end SEO roadmap and content strategy to secure sustainable organic growth and higher search rankings.

ORIONS IT SOLUTION | Digital Marketing Executive

January 2023 – April 2024

- Acted as the primary liaison between the technical engineering team and clients,

translating complex business requirements into scalable web solutions.

- Designed and executed targeted SEO and Meta Ads campaigns that significantly enhanced lead generation and quality.
- Represented the organization in client acquisitions and monthly alignment meetings, providing transparent performance reports and growth roadmaps.
- Spearheaded the design of marketing collateral and creative digital assets to maintain a unified and impactful brand message.

FIAARA (Luxury Travel/Car Rental) | Digital Marketing Expert

December 2025 – Present (Freelance)

- Developed the brand's web platform from the ground up and currently manage all digital marketing channels, with a strong focus on local SEO and Google Business Profile optimization.
